RINA

ATTACHMENT TO STATEMENT Nr. 2015/MI/01/747

General conditions for the statement validity

1. The application is to be forwarded to RINA Vimercate Office using RINA form for any single Purchaser's Order, indicating "Firm provided with RINA Alternative Testing Scheme (statement reference number)". RINA will send the relevant File Number to the Manufacturer.
2. The products are to be produced, inspected and tested in compliance with the Technical Procedure approved by RINA. The names of the personnel appointed by the Manufacturer as responsible for any phase of the production and control process must be communicated to RINA Vimercate Office.
3. The Manufacturer is to agree with RINA the dates of execution of inspections and tests to be witnessed by RINA Surveyor, as required by the relevant Technical Procedure.
4. Any "non conformity notice" or "client / shipyard claim" is to be forwarded to RINA Vimercate Office with relevant "corrective actions" taken as soon as possible.
5. Any modification to the initial conditions (e.g. relevant to design characteristics of the product, production and control procedures, suppliers of main components) are to be promptly communicated to RINA which reserves the right to require additional assessments.
6. In any case, RINA Surveyors are to be allowed to witness during the performance of production and control activities, upon their request.
7. RINA may suspend or withdraw the admission to the Alternative Inspection Scheme in the case of modifications to requirements or conditions for initial admission.
